

Who's Who

in Jordan's Information and Communication Technology (ICT) 2026

Annual Online & Print Guide of Jordan's leading ICT Companies in 2026

INTRODUCTION:

Following the success of the previous Twenty-One editions, from 1998 until 2025, of *Who's Who In Jordan's Information & Communication Technology (ICT)*, MediaScope is publishing the 2026 edition of this Book & Website.

This professional publication aims to inform leading decision-makers, buyers and investors in Jordan and the Middle East regarding the top ICT companies in the country. Companies may participate in this book and website through One Page or Two Page profiles including text, facts and figures, product & service details, product logos, information on major clients & projects, and photos of key staff. Advertising pages are also available in this publication.

Three Thousand & Five Hundred copies of the book will be distributed FREE to ICT clients and companies in Jordan and abroad in cooperation with int@j (Information and Communication Technology Association of Jordan) through its participation in local and international events and trade missions.

This publication's contents will be available as a digital edition at www.JordanICT.com, which also includes additional content such as a comprehensive listing of the contacts of hundreds of ICT companies. The website is marketed online to deliver a high level of reach to the region's ICT community; and has social media channels (LinkedIn, Facebook, Instagram) with thousands of followers.
